

### From the Principal's Desk

*One of the key pillars of our institution is our faculty, whose dedication to research activities enriches the academic environment of Andhra Loyola College. Our staff members are not only prolific in their publication works but also actively mentor and guide research scholars, nurturing a culture of academic inquiry and innovation.*

*Furthermore, the Department of Library Sciences plays a pivotal role in fostering a love for learning among our students. Through their monthly book reviews, they not only encourage students to explore diverse literary works but also stimulate intellectual curiosity and critical thinking skills.*

*In addition to academic pursuits, Andhra Loyola College places great importance on sports and games, recognizing the integral role they play in holistic development. Our commitment to sporting excellence is reflected in the standards set by our athletes and the opportunities provided for students to excel in various sporting disciplines.*

*As we continue our journey forward, guided by our commitment to excellence and service, I am confident that Andhra Loyola College will remain at the forefront of educational innovation and societal transformation. Together, let us continue to uphold the values of integrity, excellence, and community engagement that define us as an institution.*

*- Rev. Fr. Dr. G.A.P. Kishore, SJ*
