Four of the experiments in the existing list will be combined into two and 5 new experiments will be introduced in the list. The new list of practical-IV would be as follows:
 1. Zener diode and Junction diode (combined)
 2. LCR Series and Parallel resonance (combined)
 3. CB Characteristics of BJT
 4. AC impedance and Power factor
 5. Full wave Rectifier
 6. Hall Probe experiment (new)
 7. Energy gap of Diode (new)
 8. e/m experiment (new)
 9. Planck's constant determination (new)
 10. Demorgan's theorems (new)
4. It is resolved that from the academic year 2013-14 onwards interested students would be encouraged to do the final project work in collaboration with industry (SG Home Appliances Pvt. Ltd., Gollapudi).

It is resolved to allow the students of DP section to do project in Chemistry in case any one is extremely desirous of doing it in chemistry. Similarly any student of DC section is interested in doing project in Physics, he/she may be allowed to do so.

**SCIENCE, TECHNOLOGY & DEVELOPMENT AND
ENVIRONMENTAL STUDIES
RESOLUTIONS**

The meeting of Board of studies in Science, Technology & Development and Environmental studies was held on 1st March, 2013 at 3 P.M in the College Conference hall. The meeting chaired by Dr. B. Siva Kumari, Head, Department of Botany, Chairman BOS welcomed the gathering. The following resolutions passed unanimously.

All the members participated actively and after thorough discussion on the syllabus, the following resolutions were approved by the board of studies.

**I. It was resolved to make the following modifications in the syllabus of –
Science, Technology & Development - SEMESTER-III**

UNIT-I

1. Procedure of science dropped because of redundancy.
2. Exosphere is added in the Atmosphere of Earth systems in chapter 1
3. Instead of DNA as genetic material the new topic DNA structure and its significance was proposed
4. Life sciences chapter from unit-I shifted to Unit-II

UNIT-IV

5. Unit- IV- topic –Biotechnology- applications – (the production of Hormones, Enzymes and Vaccines were included in health and human welfare)

UNIT-V

6. National institutes names specified in the syllabus- (IISC, ICAR, ICMR, ISRO, CCMB, CFTRI, IICT, NIN AND NGRI)

**II. It was resolved to make the following modifications in the syllabus of
Environmental Science (SEMESTER-IV)**

UNIT-II

7. Alternate energy resources- Solar, Wind and Tidal energy were proposed under natural resources.

UNIT-IV

8. Climate change, global warming, greenhouse gases, acid rains and ozone layer depletion were grouped under the title of Social Environmental Issues of Environmental pollution.

UNIT-V

9. Demographic studies were rearranged.

2. It is resolved to delete Digestive system, Excretory system and introduce Heart and Urinogenital system under the type study of Frog in UNIT-III, to include only Heart under Circulatory system, only Brain under Nervous system and Urino genital system instead of Reproductive system under the type study of Calotes in Unit-IV, to introduce only Heart under Circulatory system under Aves in Unit-V of Paper-II, ANIMAL DIVERSITY-(CHORDATA), with effect from the academic year 2013-2014.
3. It is resolved to change Gametogenesis and Fertilization as Gametogenesis and Fertilization with reference to Mammals, to change Foetal membranes to Foetal membranes in Chick in Unit-VI in Paper-III, ANIMAL PHYSIOLOGY AND DEVELOPMENTAL BIOLOGY, with effect from the academic year 2013-2014.
4. It is resolved to change the title of Unit-II as Mendelian inheritance in paper-IV, CELL BIOLOGY AND GENETICS with effect from the academic year 2013-2014.
5. It is resolved to delete Pond ecosystem and introduce Lake System in unit-I in paper-V, ECOLOGY, EVOLUTION AND ANIMAL BEHAVIOUR, with effect from the academic year 2013-2014.
6. It is resolved to introduce the titles for the units in paper-VI, PRINCIPLES OF BIOCHEMISTRY (SUBJET ELECTIVE) as Metabolism-I for unit-I, Metabolism-II for unit-II, Mineral metabolism for unit-III , Enzymes for unit-IV and Membrane physiology for unit-V, with effect from the academic year 2013-2014.
7. It is resolved to delete Endocytic barriers in unit-I, to change topic Lymphatic system as Brief account of lymphatic system, to delete Cutaneous associated lymphoid tissue and introduce the Spleen and Gut associated Lymphoid tissue (GALT) in unit-II, to introduce the

title for unit-III, as Antigens-Antibodies, to introduce the title for unit-IV as Ag-Ab Interactions, to change Whole organism vaccines as Whole body vaccines, to introduce the killed vaccines, Toxoid vaccines and delete Synthetic peptide vaccines from unit-V and introduce the title for the same as Immunisation, to introduce cells of Immune system- Lymphocytes, Natural Killer cells, Phagocytes, Macrophages and Dendritic cells in the Unit-I in the paper VI-PRINCIPLES OF IMMUNOLOGY (SUBJECT ELECTIVE), with effect from the academic year 2013-2014.

8. It is resolved to introduce Bacteriophages, BAC, and YAC under Cloning vehicles in the unit-I of Paper-VII, APPLIED ZOOLOGY (ANIMAL BIOTECHNOLOGY, AND INDUSTRIAL FISH AND FISHERIES) with effect from the academic year 2013-2014.

9. It is resolved to introduce the titles for the units in the paper-VIII, ORNAMENTAL FISHERIES (SKILL BASED ELECTIVE) as introduction to Ornamental fishery for unit-I, as Feed and feeding management for unit-II, as Breeding to unit-III, as Ornamental Fish Pathology to unit-IV, as Ornamental Aquarium Plants to unit-V and shifting the topic 'Water chemistry of Aquarium' to unit-I from unit-II with effect from the academic year 2013-2014.

10. It is resolved to introduce Fungal disease Candidiasis (vaginal thrush) in unit-I, to delete Complement system under mode of action of Antibodies, to delete types of Lymphokines under brief account of Cellular immunity, to change types of T- lymphocytes as Sub populations of T-lymphocytes and their role, to delete Generalized Anaphylaxis and localized Anaphylaxis under immediate hyper sensitivity in unit-III, in unit-V of the Paper- VIII, CLINICAL BIOLOGY AND COMMUNITY AND SOCIAL MEDICINE (SKILL BASED ELECTIVE), with effect from the academic year 2013-2014.

11. It is resolved to introduce Dosage forms(External-ointments, powders, emulsions etc.), oral (tablets, capsules, syrups), injections (intramuscular, parenteral), Drug indications, contraindications and side effects in unit-III of Paper, Pharma drug marketing (General elective), with effect from the academic year 2013-2014.
