"Enhancing Legal Knowledge: Advocate-Led Awareness Programs for Students"

ACADEMIC YEAR 2022-23

In the academic year 2022-23, approximately 462 students took part in these programs. They gained tremendous benefits from the advocates' expertise and insights, which provided them with a clearer understanding of the legal system and its implications for their lives. This initiative has not only broadened their legal knowledge but also empowered them to make informed decisions and effectively manage legal challenges.

Note: The following list includes advocates who visited our campus during the academic year 2022-23. Scanned copies of proof are provided below.

ACADEMIC YEAR 2019-20

In the academic year 2019-20, approximately 382 students participated in these programs. They benefited immensely from the advocates' expertise and insights, gaining a much clearer understanding of the legal system and how it affects their lives. This initiative has not only enhanced their legal knowledge but also empowered them to make informed decisions and effectively navigate legal challenges.

By bringing in seasoned legal professionals, our college ensures that students are exposed to practical knowledge and real-world legal scenarios. These programs have proven to be invaluable in preparing students to face legal issues with confidence and competence. The positive feedback from participant's highlights the significant impacts these sessions have had on their ability to understand and apply legal principles in their daily lives.

Note: The following list includes advocates who visited our campus during the academic year 2019-20. Scanned copies of proof are provided below.

ACADEMIC YEAR 2018-19

Our college has been proactively organizing legal awareness programs by frequently inviting advocates to interact with our students. These sessions are designed to educate students on various legal rules and their implications, ensuring they are well-informed about their rights and responsibilities. The advocates provide detailed explanations and real-world examples, making complex legal concepts accessible and understandable.

During the academic year 2018-19, approximately 246 students participated in these programs. They benefited greatly from the expertise and insights shared by the advocates, gaining a clearer understanding of the legal system and how it impacts their lives. This initiative has not only enhanced their legal knowledge but also empowered them to make informed decisions and navigate legal challenges more effectively.
