Short Industrial Visit

Department of MBA organized Short Industrial Visit to Sangam Milk Producer Company Limited, Vadlamudi on 26-11-2024.

Outcome of the activity: The short industrial visit for MBA students provided practical exposure to industry practices, facilitates the application of theoretical knowledge in real-world scenarios, and creates a motivational and inspirational impact by showcasing successful business operations and career possibilities

Key Highlights: The industrial visit to Sangam Milk Dairy offered MBA students an invaluable opportunity to gain practical exposure to industry practices, enhancing their understanding of the operational processes involved in the dairy industry. It allowed students to apply their theoretical knowledge to real-world scenarios, bridging the gap between classroom learning and professional application. Additionally, the visit served as a source of motivation and inspiration, as students observed firsthand how successful business operations are managed, sparking ideas and aspirations for their future careers in the business world.
