AUTHORITIES FOLLOWING THE MATRIX GIVEN ABOVE

## ANDHRA LOYOLA COLLEGE

Andhra Loyola College (Autonomous), Vijayawada, is a Catholic Christian Higher Educational Institution founded and being administered by the Society of Jesus, whose members are popularly known as the Jesuits all over the world.

### **Origin**

Madras Presidency of the British India consisted of Tamil, Telugu, Kannada and Malayalam speaking areas. However, over the years the Telugu people felt the need to have their neglected interests met in their own land-Andhra - and got Andhra University established in 1926 with Sir Cattamanchi Ramalinga Reddy (Sir C R Reddy) as the founding Vice Chancellor. Subsequently, the Telugu people started agitating for a separate State called Andhra for themselves during the British era itself to preserve their own identity and have their needs adequately met. The genesis of the College dates back to this time.

Towards the end of October 1943 Sir C R Reddy, felicitating Bishop Ignatius Mummadi after his Episcopal Consecration as the new and second Catholic Bishop of Guntur, suggested to him to strive for the establishment of a Jesuit College in the centrally located Vijayawada area, like Loyola College, Madras (Chennai), as if to make amends for his decision to shift the establishment of Andhra University from the originally intended location of Vijayawada area to Visakhapatnam (as a single piece of required vast area of land for a University could not be acquired in the fertile Vijayawada area within the stipulated time).

Sir C R Reddy made this suggestion to Bishop Ignatius because until then the Telugu Students had been going to the Jesuit Colleges in the Tamil speaking area of the Madras State for quality education.

Bishop Ignatius Mummadi since then started his relentless efforts for the same writing to the Jesuit Vice Provincial Superior in Madurai, but to no avail. Hence, he made it a point to meet the very Rev Fr John Baptist Janssens, SJ, the then Superior General of the Society of Jesus in Rome during his "Ad Limina" visit in 1948. The Bishop introduced himself as a descendent of the Jesuit Carnatic Mission and pleaded with the Jesuit Superior General convincingly for starting a Jesuit College in

Vijayawada area of the then Madras State in Independent India. Hence, the Jesuit General mandated the Jesuit Vice Provincial Superior of Madurai to oblige the sincere request of the Bishop in course of time, but at the earliest possible.

Accordingly, Rev Fr K Devaiah, SJ, a Telugu Jesuit from Guntur area, who was working as the Headmaster of St Mary's High School, Dindigul, Tamilnadu, was tasked in April 1952 to select a suitable site for a Jesuit College in Vijayawada area. Fr. Devaiah reached Guntur on 1<sup>st</sup> August 1952 and met Bishop Ignatius. Both of them and many local leaders applied themselves to the task of selecting a suitable area and acquiring sufficient land for the needs of a Jesuit College.

There were many requests and delegations from the people of Bapatla, Vetapalam, Nambur, Muktyala, Gannavaram, Vijayawada etc., to start the College in their respective places offering the required land and money.

After considering various proposals for the College site, Rev Fr Humbert Pinto, SJ, the then Jesuit Vice Provincial of Tamil Nadu, favored setting up the College in Vijayawada and communicated the same to Fr. Devaiah on 2<sup>nd</sup> January 1953. Accordingly, the process for acquiring 100 acres of land in Vijayawada began immediately with the help of local leaders, who formed themselves into the Vijayawada Loyola College Sahaya Sangham.

The Loyola College Society, Guntur Vijayawada, was registered in Guntur on 30<sup>th</sup> June 1953 and the purchased 100 acres of land was registered in its name in course of time.

Sri C M Trivedi, the First Governor of Andhra State, which was newly formed on 1<sup>st</sup> October 1953, as the first ever linguistic state in independent India, after the supreme self-sacrifice of Amarajeevi Potti Sriramulu, laid the Foundation stone for the College on 9<sup>th</sup> December 1953 at 5.00 pm in the presence of Archbishops Mark Gopu of Hyderabad, Thomas Pothacamury of Bangalore, Bishop Ignatius of Guntur, Bishop Ambrose De Battista of Vijayawada, the Office Bearers and Members of Vijayawada Loyola College Society, and over 6000 enthusiastic well wishers and people in a festive atmosphere.

At the request of the local leaders, who had been working shoulder to shoulder with the Jesuit pioneers for the realization of this Jesuit

College Rev Fr Douglas Gordon, SJ, the new Jesuit Provincial Superior, (and the second Principal of the College) had agreed to name the College as Andhra Loyola College, in the jubilant context of creation of a separate Andhra State for the Telugu people of Coastal and Rayalaseema Regions.

Thus, Andhra Loyola College was literally the long cherished dream of so many Telugu people coming true.

The building work began in January 1954 under the supervision of the Italian Missionary Architect Brother Giani David, PIME. The first Academic session of the College began on 22<sup>nd</sup> July 1954, after two postponements due to heavy monsoon rains, with 394 in Intermediate students two Maths - Physics - Chemistry sections and 154 in two History groups - with 24 Teaching Staff Members including four Jesuits Fathers.

The College was admitted to Grant- in- Aid on 18.11.1955. (Gleaned from the first issue of the College Magazine published in March 1956).

It was first affiliated to Andhra University till December 1976 and to Acharya Nagarjuna University till 2010. Thereafter it is affiliated to Krishna University.

It was granted the Autonomous status for the UG Programmes on 24-10-1987 in recognition of its excellent contribution to the cause of education and began functioning as an Autonomous College from the Academic Year 1988 - 1989.

The College owes a great debt of gratitude to His Holiness Pope Pius XIII, whose donation of Rs.4,00,000/- made the construction of the College possible in a big way (Page No. 56 of ALC Magazine 1959), its numerous local Benefactors, who formed then selves as *the Vijayawada Loyola College Sahaya Sangham* with Sri Gogeneni Venkata Subbaiah Naidu (whose surname the first hostel bears) as President, and Sri Katragada Raghuramaiah as Secretary and Treasurer, who contributed for purchasing the required 100 acres of land at an average cost of Rs. 5,000/- per acre (Page No.33 of ALC Magazine 1956), Well-wishers, Staff and Alumni/ae, who have spared no efforts to further its cause.

## **Society of Jesus: The Jesuits**

The Society of Jesus is an International Catholic Religious Organization of men founded in the year 1540 by St Ignatius of Loyola with the motto of working for the Greater Glory of God by rendering service to humanity. It is led by its Superior General, currently, Very Rev. Fr. Arturo Sosa S.J. with its head quarters in Rome. The members of this Organization are popularly known as the 'Jesuits'. There are around 15,000 men working in 120 countries spread out in six Continents. Of them, more than 4,000 are working in India and more than 200 are working and getting trained to work in Andhra Pradesh and Telangana. Today, the Jesuits render their services in schools and colleges, youth and social service centers, in parishes and missions, in spirituality and counselling centers and in almost every form of service and ministry in the Catholic Church for various people.

Although the service of the Jesuits encompasses a wide range of works and ministries, they are best known for their educational work. Right from their inception, the Jesuits have been among the best teachers and educationists in the world. At one time, they were called the School Masters of Europe. Today, there are Jesuit Institutions of Higher, Secondary, Primary and Professional/Technical Education across the Globe.

The Society of Jesus runs four reputable Colleges namely Andhra Loyola College and Andhra Loyola Institute of Engineering and Technology in Vijayawada, Loyola Degree and Polytechnic Colleges in Pulivendula; and Loyola Academy UG and PG Colleges in Alwal, Secunderabad. Apart from these, the Jesuits administer 14 schools, including Loyola Public School in Guntur, St. Patrick's High School, Secunderabad, and 3 Intermediate Colleges in the two Telugu States.

**The Founder of Society of Jesus -  
Saint Ignatius of Loyola (1491-1556)  
Passion for Life**

Inigo Lopez de Loyola was born in a noble family of the Basque Region in Spain in 1491. He was the youngest of the 13 children of his parents. He later became a page in the service of a relative, Juan Velazquez de Cuellar, Treasurer of the kingdom of Castile. As a young aristocrat, Ignatius had a “love of martial exercises and a vain glorious desire for fame”. Joining the army at Seventeen, he participated in many battles without injury. But when a French-Navarrese army stormed Pamplona's fortress on May 20, 1521, a cannon ball broke one of his legs and wounded the other. He was thirty, then. Soldiers carried the wounded Inigo to his ancestral home to recuperate. He had several surgical operations, which were very painful in those days of pre - anaesthetics.

**Passion for Reading Leads to a Desire to Change**

During his days of recovery, he asked for books on chivalry, his favourite reading. But there were no such books in their Loyola castle. Instead, he was given the books in the house: the “Life of Christ” and a collection of the “Lives of the Saints”. Inigo set about reading them. The more he read and reflected, the more did God become the centre of his life. His injury at Pamplona was God's way of telling him that he wanted him in the service of Jesus Christ, the Eternal King.

**Romantic Knight, Now a Passionate Pilgrim of God**

By March 1522, Inigo's right leg was sufficiently healed for him to put his plan into action. He undertook a pilgrimage to Mother Mary's alter at Montserrat, and spent the whole night kneeling or standing and praying. He renounced his sword and dagger and exchanged his fine clothes with a beggar's sackcloth-tunic. Thus, a romantic knight now became a Pilgrim of God.

### **A Docile Student of God, the ‘School-Master’**

Inigo became God's student. On his way to Barcelona, he stopped at Manresa, a town on the banks of the river Cardoner. There he spent ten months in total communion with God. He spent seven hours a day in prayer in a cave he had discovered. For several hours a day, he helped the sick in the hospital of St Lucy. God, he said, was like a School Master teaching him step by step. He recorded the meditations and the illuminations he received in prayer in a note book he carried. It was from this little book that his famous Book of Meditations, called the "Spiritual Exercises" would later emerge.

### **Passion to lead people to God makes him a Dedicated Student**

Inigo's only desire was to help people to come closer to God. In order to do that, he needed to study. At the age of 34, he began to study Latin grammar, sitting in class with young boys. He then studied at the renowned Universities at Alcalá and then at Salamanca, Spain. At the age of 38, he went to Paris and studied Philosophy and Theology for seven years.

### **A Magnetic Personality attracts many Good Student-Friends**

Ignatius shared a room with Peter Faber and Francis Xavier in Paris University. Along with these two people the magnetic personality of Ignatius also attracted many young people to him including James Laynez, Alphonsus Salmeron, Nicholas Bobadilla and Simon Rodrigues. He was for them a friend, philosopher and spiritual guide. With three more, Claude LeJay, Paschase Broet, and John Codure, who came later, Ignatius started ‘the Society of Jesus’ in 1540 to love and serve God and humanity.

### **A Teacher and Educationist with a Heart for the Downtrodden**

Ignatius always had a passion to teach. He taught the lettered and the unlettered, the rich and poor, elders and children. He taught them about God, religion and prayer; and cared for the sick in hospitals. He started the Roman College in 1551 as a model for all colleges throughout the world. In 1552, he opened a college in Rome for the Seminarians to prepare them better to preach Christ.

## **Inigo Becomes St. Ignatius of Loyola**

Ignatius died on 31<sup>st</sup> July 1556. When the body was made ready for visitors, there was a long line of Cardinals, Bishops, Priests, the nobility and the poor of Rome, all coming to kiss the holy venerable hands of Ignatius. He was declared a Saint by the Church in 1622. To mark his death day, 31<sup>st</sup> July is celebrated as his Feast Day every year across the world.

## **Choice Based Credit System (CBCS)**

Andhra Loyola College introduced the CBCS in the Academic year 2004 - 2005 as the First College in the United Andhra Pradesh State.

## Examination and Evaluation

### 1. Theory

The College follows a system of evaluation based on Continuous Internal Assessment (CIA) and Semester-End Examination (SEE) for UG and PG Programmes. The 100 marks allotted for each Theory Paper in a Semester are distributed with equal weightage (50:50) between CIA and SEE.

#### A. Continuous Internal Assessment (CIA)

The CIA in Theory consists of Written and Oral Tests, Assignment and Regular Attendance during the Semester. The 50 marks allotted for each subject in CIA in each Semester are distributed as follows:

Mid-Semester Examination I	20 marks (15 written + 05 oral)
Mid-Semester Examination II	20 marks
Assignments	05 marks
Attendance	05 marks

#### i. Mid-Semester Examinations

Usually, each Mid-Semester Examination is held approximately after 40 days of instruction. The dates are notified in the Hand Book. The Syllabus and the Model Question Paper for each Mid-Semester Examination will be provided by the respective Departments.

As the marks scored in the Mid-Semester Examinations are considered for final evaluation and award of class, students should take these Examinations seriously. Absence from a scheduled Examination will be viewed very seriously, if permission is not obtained from the Principal/Vice Principal before the end of the scheduled Examinations.

#### ii. Re-Mid Examination

Due permission may be obtained from the Principal/Vice-Principal by those students, who would be absent from any Mid-Semester Examination to appear for the Re-Mid Examination during the same Semester.

However, it may be noted that granting permission is not a mere formality, but will be decided on the merit of each case. On obtaining permission students should register their names with the Controller of Examinations after paying the necessary Fee.

The Re-Mid Tests will be conducted for two hours only during the Preparatory Holidays and the Syllabus of the entire Semester will be included while forming the Question Papers.

iii. **Assignments**

In general, every student is expected to submit an Assignment in each subject in each Semester. The choice of the Assignment, its nature and the time limit for submission will be decided by the Teaching Staff concerned. No Assignments will be accepted after the stipulated date and it will entail loss of marks under this head.

iv. **Attendance**

Subject - wise attendance will be calculated in terms of percentage while awarding marks.

Table for calculating marks for attendance:

<b>% of Attendance</b>	<b>Marks</b>
Upto 75	Nil
76-80	1
81-85	2
86-90	3
91-95	4
96-100	5

**NB:** As each Semester is a complete unit in itself, any deficiency in CIA cannot be made up in the subsequent Semesters.

If a student is forced to repeat a Semester for some reason, all his/her CIA marks will stand cancelled.

While repeating the Semester, the student has to follow the Syllabus and the Model Question Paper which are in force at that time unless otherwise stipulated.
