## DISPENSARY SERVICES

In the academic year 2014-2015, a significant development unfolded in Andhra Loyola College under the leadership of Rev. Fr. Dr. G.A.P. Kishore, S.J., the Principal of the College. He spearheaded the establishment of the College Dispensary, a crucial facility aimed at providing medical assistance to both students and staff within the College premises.

One of the distinguishing features of the College Dispensary is its commitment to providing free medical services to all Students and Staff members. In cases of emergencies requiring specialized care, patients are referred to the Government General Hospital, whereas other referral service cases are directed to St. Ann's Hospital Vijayawada. This underscores the college's concern to promote the well-being and safety of its academic community.
