EXTENSION PROGRAMME REPORT 2019 - 2020

ALANA & ALERT

I. ALANA

1. CAMPUS CLEANLINESS DRIVE:

As part of our College Extension program, we recently spearheaded a Swachh Bharat Cleanliness drive on 23/8/2019 within the premises of our ALC campus. Enthusiastic students took an active role in this initiative, diligently segregating plastic waste from dry waste and ensuring proper disposal by depositing them separately in designated pits. Throughout the campus cleaning endeavor, student volunteers tirelessly dedicated themselves to tidying up various areas such as the South Block, Basketball ground, and other campus zones. Their concerted efforts not only resulted in the collection of plastic and dry waste but also served as an inspiring example to their peers. Through their actions, they conveyed a powerful message advocating for responsible waste disposal practices, urging fellow students to refrain from littering and instead, dispose of waste properly to safeguard our environment. In this significant undertaking, Mr. R. John, the Extension Coordinator, played a pivotal role alongside the dedicated student volunteers. Their collective participation underscored the commitment towards fostering a cleaner and greener campus environment for all.

2. LAND TO LAB:

The Department of Physics and the Extension Wing organized the LAND to LAB program on December 17th and 18th, 2019. Students from the 8th and 9th classes of Government and Aided Schools in Vijayawada city were invited to the program. Fr. G. Victor Emmanuel SJ, the Principal, inaugurated the program, welcoming the school children and teachers. He encouraged them to take advantage of the opportunity to cover all physics experiments in the textbook syllabus simultaneously and conveyed his best wishes for the upcoming examinations. The program was divided into two sessions each day: morning and evening. Over the two days, a total of 440 students and 8 teachers from 4 schools participated. The students were divided into small batches, and volunteers from the PG & UG programs of the Physics Department demonstrated various experiments from the current AP State syllabus. This live demonstration greatly aided the students in understanding the procedures. After each session, feedback was collected from the students, who responded positively and expressed increased confidence in their exam preparation. Handout materials were provided to the students upon completion of the program. The participating schools included KBC Zilla Parishad High School Patamata, TMRC Municipal High School Machavaram, Bishop Azariah Girls High School Suryaraopeta, and GDET Municipal High School Patamata. The program was coordinated by Dr. G. Sahaya Baskaran, Head of the Department of Physics, Ms. Sheshu Latha, HOD of PG, department lecturers, and Mr. John, the Extension Coordinator.

II. ALERT:

3. TWO-DAY IMITATION JEWELLRY MAKING WORKSHOP & ESTABLISHMENT OF COMMUNITY-LED IMITATION JEWELRY UNIT:

"A two-day training program focusing on the techniques of making imitation jewelry at home using various raw materials was organized for Self Help Group (SHG) members at Atchyyavaripalem, Pedana Mandal from November 24th to November 25th, 2019 by Syamala Gold Covering Works, Machilipatnam." Following numerous trials and practice sessions, the SHG members enthusiastically initiated a small imitation jewelry unit at a corner of their village. They rented a house and cattle shed, and with an initial team of 10 members, they commenced their operations.

On November 25th, 2019, Rev. Fr. Kiran S.J., Rector of Sanjevan Nivas ALC, blessed the Community-led imitation Jewellery Unit, applauding the dedication of the SHG members. He expressed his hope that this initiative would serve as a role model for many unemployed women. Currently, 30 members are employed on a shift basis, each earning Rs. 5,000/- per week.

4. VISITS TO THE SELF HELP GROUP VILLAGES:

On November 10, 2019, Rev. Fr. Victor Emmanuel S.J, Principal, and Fr. Mark Sagayaraj S.J, Correspondent of ALC, along with Mr. John, Extension Work Coordinator, embarked on a visit to six villages housing Self Help Groups. The purpose of this visit was to assess the progress of Income Generation Programs initiated in previous years. During their visit, they engaged with women in rural areas who have benefitted from the assistance provided by Andhra Loyola College. The villages visited included Manginapudi, Usalavaripalem, Rayapalli, Atchayyavaripalem, Jinjerru, and Gudlavaluru in Krishna District.
