

# Profile

## G. MURALI KRISHNA

**Designation** Professor  
**Department** Physics  
**Date of Birth** 01 – 07 – 1964  
**E-Mail ID** gmkvja@rediffmail.com  
**Mobile** 7396355502

### Education:

Details	Year	Institution	Percentage/Grade
UG	1984	Andhra University	1 <sup>st</sup> Class
PG	1987	University of Roorkee	2 <sup>nd</sup> Class
M.Phil.	1988	University of Roorkee	1 <sup>st</sup> Class
Ph.D.	2008	Aacharya Nagarjuna University	

### Experience:

Period	Designation	Institution / Organization
1990-Till Date	Professor	Andhra Loyola College Vijayawada

### Courses Taught:

Year	Title(s) of the Courses
2017-2018	Mechanics, Waves & Oscillations
2018-2019	Mechanics, Waves & Oscillations
2019-2020	Mechanics & Thermodynamics
2020-2021	Mechanics, Waves & Oscillations, Modern Physics
2021-2022	Thermodynamics, Optics, Solar Energy, Electrical Appliances
2022-2023	Mechanics & Thermodynamics

**Research Profile:** PhD in Glass Science with seven publications

**Research Area: Glass Science**

## Professional Development Activities – Participations

<Details of FDP / PDP / Seminars /Conferences etc.>

Year	Programme	Number
2017-2018		
2018-2019		
2019-2020		
2020-2021		
2021-2022	Participated in the National seminar on “Recent trends on multi-functional materials and applications” on 25 -26 <sup>th</sup> Feb. 2022, held at ALC, Vijayawada.	
	Participated in a National seminar on “Recent Trends in Materials Science” on 22-24 <sup>th</sup> March, 2022 organized by the department of chemistry, ALC, Vijayawada	
2022-2023	Participated and presented a paper in the National Conference on Recent Trends in Smart Materials and Applications on “ESR spectral studies of sodium sulpho boro phosphate glasses doped with different transition metal ions (Ti/Mn/Mo) on 27-28 <sup>th</sup> February, 2023 organized by department of physics, ALC, Vijayawada.
